

# LeafLens Complete Garden Guide

Welcome to the LeafLens Complete Garden Guide!

This guide is tailored for beginner to advanced gardeners, covering:

- USDA Hardiness Zones (5b-6a focus)
- Planting and harvest calendars
- 15+ common garden herbs and vegetables
- Herbal Kitchen uses (medicinal + cooking)
- Companion planting and printable charts
- Pro tips for sustainable, organic gardening

Keep this guide handy for planning your seasonal crops and using LeafLens to track growth, care, and removal.

Happy growing!
